Report: ENY Meeting from 6th to 9th July 2017 in “LE BETULLE” near Turin

The arrival day at the wonderful « Betulle » naturist site in the vicinity of Turin was scheduled for Thursday, 6th July.

After the arrival of most people in the afternoon, we met to make a small presentation.

Unfortunately, one of the participants could only arrive on Friday, so we decided to hold a meeting on Friday afternoon.

At this meeting, we first planned the rest of the weekend and then discussed the future of the ENY.

The conclusion is that a 4-day springtime meeting would be appreciated by all.

For Friday night, Enrico organized a group of musicians from his school who played very well and made everyone sweat. This was further enhanced by incredibly high temperatures around 30 ° C. Given that we did not want to spend the evening sweating, we took several times a swim in the pool especially reopened for us.

For Saturday, the youth had disposal for body-painting. In the gathered together and painted backs.

In the afternoon, the youth group teenagers and young children on great pleasure for all. From time pool by evidently erasing first the

wished to have a full day at their morning, the young people had very creative patterns on the

organized body-painting for the grounds. The day was a to time, we plunged into the patterns.

Unfortunately, it was then time to say farewell in the evening, as some had to leave very early on Sunday morning.
